NPD = No Performance Declared

+ 5%

**Note 1**: Since the external fire performance of a roof is dominated by the built up system, no performance can be assessed for the product alone.

Note 2: In absence of test methods, verification and declaration on release/content has to be done taken into account national provisions in the place of use.

NPD

The performance of the product identified in point 1 and 2 is in conformity with the declared performance in point 9. This declaration of performance issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of FIX-R, SIG Trading Ltd:

Steve Marr - SIG UK Compliance Director SIG Trading Ltd, Sheffield - 22/08/22

Durability: pliability after heat oven exposure

Danger Substances (Note 2)
